Drone Club Name : *RAPTOR DYNAMICS- Innovate. Integrate. Elevate.*

About Club:

RAPTOR DYNAMICS is a student-driven drone technology club focused on designing, building, and deploying unmanned aerial systems (UAVs). The club serves as a platform for hands-on learning in aerodynamics, flight control, embedded systems, and AI-based applications.

Members work on real-time projects, participate in competitions, and develop innovative drone solutions for applications such as surveillance, agriculture, mapping, and disaster management.

The club encourages interdisciplinary collaboration, technical excellence, and innovation, preparing students to become industry-ready engineers and future leaders in aerial robotics and smart technologies.

Vision

To lead innovation in drone technology through excellence in design, research, and real-world applications.

Mission

- Design, build, and innovate UAV systems through immersive hands-on learning
- Develop interdisciplinary expertise in aerodynamics, electronics, and AI-driven systems
- Encourage collaboration, competition, and real-world problem solving
- Cultivate industry-ready engineers with strong entrepreneurial mindset

Objectives

- To design and develop efficient and reliable UAV systems
- To provide hands-on training in drone fabrication, programming, and flight operations
- To enhance knowledge in aerodynamics, embedded systems, and AI-based applications
- To promote innovation through projects, research, and prototyping
- To participate in national and international drone competitions and challenges
- To develop practical solutions for real-world applications such as agriculture, surveillance, and disaster management
- To foster teamwork, leadership, and interdisciplinary collaboration
- To bridge the gap between academic learning and industry requirements

THE NATIONAL INSTITUTE OF ENGINEERING

(Autonomous Institution under VTU)

Manandavadi Road, Mysuru – 570008

Phone: 0821-2480475, 2481220, 4004900 Fax: 0821-2485802, E-mail: principal@nie.ac.in, Website: www.nie.ac.in

RAPTOR Dynamics

Club Committee

Patron

Dr. Dr.Nagendra Parashar, Principal - NIE

Dr. Rohini Nagapadma, Chief Innovation Officer- NIE

Chief Advisor

Dr. H N Divakar, Professor & Head- Department of ME- NIE

Dr. Rajalekshmi Kishore, Professor & Head- Department of E&C- NIE

Faculty Advisors

- Dr. Ashok K, Associate Professor- Department of E&C- NIE
- Dr. Anand A, Assistant Professor- Department of ME- NIE

Office Bearers

Sl. No	Name	Year / Dept.	Responsibility
1			Student President
2			President Elect
3			Head- Technical & Development
4			Head- Operations & Safety Committee
5			Head- Training, Events & Outreach Committee
6			Head - Documentation, Media & Logistics Committee
7			Executive Member
8			Executive Member
9			Executive Member
10			Executive Member
